

Imagine Everything DIRECWAY™ Will Deliver...

...because the coolest content on the cutting edge of the internet is changing every day.

Here's just a small sampling of what your new DIRECWAY™ high-speed connection can soon be beaming into your home.

■ Every Kind of Music Imaginable. In Streaming Audio and Video.

Feel like seeing a music immortal in concert? Searching MP3 files for the next band on the rise? Sitting in on superstar interviews for major music magazines? Sampling tapes and music videos before you buy? You'll do it all with DIRECWAY™!

DIRECWAY™ DELIVERS:

- Up to 14 times the speed of a standard 28.8K connection
- Constant connection
- Streaming audio and video
- Two-way data transfer
- No additional ISP costs
- No phone line required

Out of reach of DSL and cable connections? A DIRECWAY™ satellite modem is your shortest route to the high-speed Internet!

■ Live Visits to Anywhere in the World!

See the sun rise in Japan and watch it set off the British coast. See skiers in the Southern Hemisphere and sun bathers in the North. Visit Times Square at midnight. Or the South Pole in a month when the sun never sets. All in real time. All with DIRECWAY™!

■ Look into the Movie Industry: from Top Studios to Independents.

Want to see a movie trailer of a current blockbuster any time of the day or night? Care to watch an old Hollywood classic for free? Want to see what today's craziest animators are up to? You'll have the ticket with DIRECWAY™ high-speed access.

■ Find the Latest Financial Advice in Real Time!

Got some investments you'd like to grow? You'll find high-speed access subscription-based sites that will feed you the latest financial data all day long. Streaming audio of crucial industry conference calls. And online trading sites that deliver more data when accessed with a DIRECWAY™ high-speed connection!

■ From News to Sports to Cartoons, DIRECWAY™ Delivers More!

You'll find streaming video from every major news outlet. *The Plays of the Day* from a dozen different sports sites. Live games of every type from all around the world. And even new cartoons from one of the oldest names in madcap entertainment.

“When the Internet hit our house at high speed, we all felt the impact!”

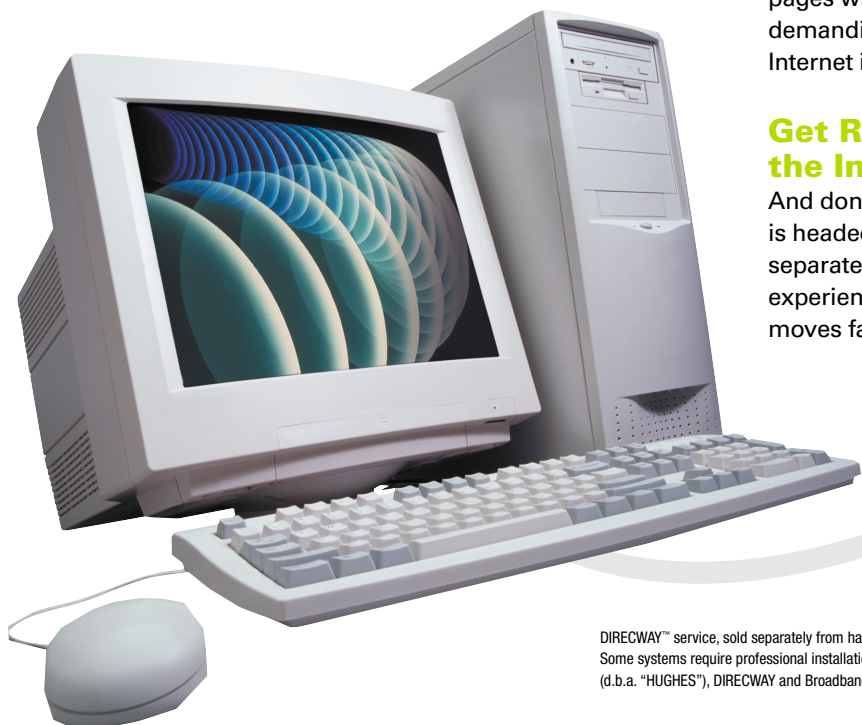

DIRECWAY.

Open your eyes to so much more of what the Internet has to offer with the incredible speed of a DIRECWAY™ two-way high-speed satellite system.

And say goodbye to your slow, 56K dial-up connection forever!

Want to see what the Internet can really deliver to your home? Ready to turn your home computer into a state-of-the-art Internet portal and access more entertainment, news, music and information than ever before?

Then get ready to connect...with DIRECWAY™.

Imagine the Internet up to 14 Times Faster!

That's the speed you'll achieve with a DIRECWAY™ two-way high speed connection. Which means even the bulkiest web pages will come up all at once. You'll cut hours off your most demanding downloads. And you'll get more done on the Internet in less time.

Get Ready to See Everything the Internet Can be

And don't forget: High-speed access is where the Internet is headed. Every month, more and more major sites add a separate link for high-speed connections. So your DIRECWAY™ experience will only get better and better as the Internet moves faster and faster.

DIRECWAY™ service, sold separately from hardware, is available in the contiguous U.S., and its usage is subject to the Fair Access Policy. Some systems require professional installation and speeds may vary; visit www.hns.com for more details. Hughes Network Systems (d.b.a. "HUGHES"), DIRECWAY and Broadband that is out of this world are units and trademarks of Hughes Electronics Corp.
